Saturday, July 10, 2021

8:00 a.m. to 3:00 p.m.

Location:

Corner of North Dixie & Ada Road

PLEASE WEAR A MASK AND PRACTICE
SOCIAL DISTANCING AT ALL TIMES

BATH TOWNSHIP CLEAN UP DAY FOR ALL RESIDENTS

Now is the time to easily and quickly rid your property of unwanted clutter, junk, debris, and useless collections of scrap. Clear your yard, house and garage, and help cleanup your neighborhood at the same time. Old tires are welcome, with or without rims.

DO NOT BRING: boats, garbage, paint, oil, solvents, antifreeze or chemicals of any kind. You will be asked to take these items back home with you.

Equipment will be available to assist in unloading very large items, but this is a volunteer, community effort. Your help and cooperation are needed and will be greatly appreciated. Be prepared to lift or throw items over the sides of the containers.

Free towing service is available to remove unwanted junk cars from your property. Keeping inoperable, unlicensed and/or junk motor vehicles outside of an enclosed building is a violation of The Bath Township Zoning Resolution.

For further information call the Bath Township office at 419-221-1797

Brad Baxter, Bath Township Board of Trustees
Denny Wilkins, Bath Township Road Foreman
Ken Meyer, Bath Township Zoning Inspector
